Dream real estate opportunities in the USA

The "European dream" emphasized by the quality of life, sustainability, peace and harmony is now present in the USA . And to feed this dream are the **opportunities to invest** in the country, especially in **the real estate sector** . The company [Selecta Realty](#) can be a great ally of **investidores interested in buying house in the US** , whether in real estate for housing or in a yield perspective.

The **Florida** is the most visited US state. And living in **Orlando**, or in other cities near **Disney World**, is the dream of many tourists, whether for the fun and illusion provided by the theme parks.

The land of Mickey is an alternative for adults and children, with special attractions for all ages. And in addition to all the amusement of the parks, tourists find Orlando outlets of leading brands with amazing prices and luxury spas. **It is one of the most complete US destinations in terms of experiences.**

Miami, the city of the future of the USA

The city is one of the most sought-after destinations in the country for having a perfect combination of famous brand outlets, beautiful beaches, convenience and sophistication of the fast shipping provided by the new BrightLine high speed train that connects Miami to Orlando in a few hours .

And after spending long days enjoying fantastic scenery by the sea, visitors can have a great time with the lively nightlife.

Among the several existing resorts we highlight:

- **YotelPad**

The development offers 231 residential condominiums, or 'PADs', as we like to call them, located above the Yotel hotel. YotelPad is an international brand located in Downtown Miami, within walking distance of Miami's best restaurants, famous shopping and malls, such as the new Brickell City Center, and other entertainment venues. YotelPad is a unique design that includes modernity, luxury and comfort. Studio apartments T1 and T2 that can be rented by season, with no time restriction in the area that is most valued in Miami!

- **The Grove Resort and Spa**

This resort is in the heart of the city and just minutes from Disney's many attractions and parks. This is a resort style condo with all the luxuries of a hotel. Guests can have fun and relax at this complete resort. They are T2 and T3 apartments that are fully furnished and equipped.

- **ChampionsGate**

ChampionsGate is the community that offers homes and townhouses within a gated, resort style condominium. It includes an incredible clubhouse with water park, spa, bar with grill, fully equipped fitness center, games room, movie theater, bar and restaurant. All this, and more, in a warm and safe environment. With many real estate options, the development is only minutes from Disney, surrounded by golf courses, shops and restaurants. Perfect for vacationing and earning income, leased the property when not in use.
